

## Foundation TRUSTEE News NOVEMBER 2022

### Greetings from President Tommy Mills

Hello Fellow Kiwanians!  
What an awesome way for your Florida Kiwanis Foundation to start the first month of this new Kiwanis Year – helping victims of Hurricane Ian. We have been very busy processing all the requests for emergency grants to assist our fellow Floridians in their time of need. That is what we are here for and it is only possible because of the financial support and generosity of our Members and Clubs. In this season of Thanksgiving, we are grateful for the opportunity to help as Kiwanians do – one child and one community at a time!
